R.29.1.7. Stages will be identified by detailed sketch diagrams.

- R.31.2.5., Penalty-free Maximum Permitted Lateness will be 5 minutes. Each

- R.40.1. To be classified as a finisher, a Competitor must complete two-thirds of the stages [i.e. four out of five] and report to both MTC1 and the final control within the maximum lateness specified, with the car in which they started.

13. Red Flag Procedure

On any special stage where extreme circumstances make it necessary to neutralise the competition, e.g. where spectator safety is compromised, or to authorise the movement of non-competing or rescue vehicles, the system of Red Flags will be in place. The flags will be located at mid stage rescue points, all locations where a rescue/emergency vehicle may re-enter the stage following a shortcut and at each mandatory Radio Point. Red Flags will be displayed at all Mandatory Radio Points preceding the incident, only on the specific instruction of the Clerk of the Course or Stage Commander. Red flags will be prominently displayed (held out steady not waved) by a designated marshal wearing a marshals' tabard. Competitors who have been shown a Red Flag will be given a notional time for the stage. No flag other than a Red Flag will be deployed at any point along the route of the special stage.

On passing a Red Flag displayed by a marshal wearing a marshals' tabard, the driver MUST immediately and significantly reduce speed as well as being prepared to stop at any time; at no time must they overtake any safety vehicle they encounter on the special stage route. The driver must then follow the instructions of any marshals and/or stage safety personnel and maintain this reduced speed until leaving the special stage. Failure to comply with this rule will incur a penalty at the discretion of the Clerk of the Course.

14. Re-joining

Competitors who exceed Maximum Permitted Lateness, fail to complete or miss a stage or control, may re-join the rally, with a penalty of 30 minutes per stage or control not visited or completed, but must be re-scrutineered before attempting to re-join.

All Special Stage Arrival Controls shall be designated Rejoint Points, where competitors may re-join within 15 places, but not ahead of, their original seeded position.

15. Venue Requirements

Some areas of Crail Airfield, particularly the control tower and other buildings, are out of bounds to all persons who are not signed on officials or Level 2 Media. Any other persons found in these areas will cause the associated crew to be disqualified from the event. Competitors, service crews and spectators must avoid trespassing on crops and must also keep off all bales. Competitors may be penalised for the behaviour of associated persons. Judges of Fact will be on duty.

Please take your litter home with you. Do not leave empty fuel containers or oil cans behind. Use of a ground sheet when servicing, and cleaning up spills of oil and other fluids, is mandatory. Smoking is not permitted in, or near, any of the buildings at Crail Airfield. Competitors will be held responsible for the actions of service crews and others accompanying them to the event and may be penalised.

The Service Park allows space for competing vehicles plus one service vehicle per crew. Other vehicles and trailers must be parked sympathetically, and competitors, service crew and support staff must follow the instructions of marshals.

Abusive behaviour towards event officials &/or Crail Raceway staff will not be tolerated, will be treated in accordance with A.10.2. and C.2.1.5., and may result in refusal of entry / expulsion from the venue.

Vehicles and trailers may be left in the Service Park overnight, at a rate of £10 per service area (10x10m), payable to Crail Raceway staff, prior to close of the Service Park at 21:00hrs Friday 9th June 2023 Camping is also available. Non compliance will result in left vehicles being removed to the Spectator Car Park.

Quad bikes, mopeds, motorcycles, scooters, go-peds etc. are forbidden in the venue, in accordance with Motorsport UK guidelines. Competitors face penalties if they or any member of their crew disregards this instruction.

20. Cameras

Any competitor wishing to carry a video camera in car must complete the relevant section of the scrutineering and signing on process card and have the camera and mounting arrangement approved by the Chief Scrutineer. It is an express condition of entry that competitors must make camera footage available to the organisers for any purpose, including resolution of disputes, although such evidence will be requested and used entirely at the organisers' discretion.

21. BAULKING

Baulking spoils rallies for competitors. If a faster car catches you, keep to the side on a wide section and allow room to pass. You are reminded of R.2.6. "the Clerk of the Course may disqualify any competitor proven to have unreasonably baulked another competitor".

22. Reconnaissance, Practising, Pace Notes

As from the publication of these Supplementary Regulations, any Competition Licence holder who permits the unauthorised presence at any time of any vehicle on private land within Crail Airfield will be disqualified from the event itself and referred to the MSC National Court. No practising or testing is permitted at Crail Airfield before the event unless specifically authorised by Motorsport UK.

Authorised presence on private land within Crail Airfield shall be limited to competitors who also sign on as officials, to assist with marshalling, stage setup, etc.

but only after written permission has been obtained from the Clerk of the Course. The only exception to this regulation will be for persons who live on, or whose employment causes them to travel, on a road used for the event. Once signed on, competitors may traverse the route up until 07:45 Saturday 10th June 2023 E bikes allowed to do Recce but not allowed in service area

The use, or provision or possession of pace notes or any other means of giving a competitor advice relation to the traversing of a Special Stage that has not been provided by the Organisers, unless in accordance with the detailed sketch diagram, is prohibited. This does not however preclude a crew from recording information during an event for use later on in the same event.

23. Fuel

Competitors may only use fuels conforming to the definitions of Pump Fuel in the 2023 Motorsport UK Yearbook, which now includes fuel that complies with FIA Appendix J, Article 252, Art 9.1. The use of FIA fuel is not permitted by cars complying with R.49.

If you can help out on the day, please contact Chief Marshal Aaron Ferguson/ Kenny Wilson or email marshals@glenrothes-msc.com.

If you have not marshalled at a rally before (either registered or new to marshalling), please make the Chief Marshal aware and you will be paired with an experienced rally marshal.
